

NEW DISCOUNT SCHEME

The Victorian Branch of the CEPU has decided to invest in a discount shopping and services scheme for CEPU members.

The scheme is referred to as the Ambassador Card scheme and it provides good discounts on shopping and services ranging from Theme Park Tickets, Safeway Food, Tenpin Bowling, Petrol etc.

Your new union membership card contains the Ambassador Card logo and it will be the vehicle to obtain most of your discounts. (Enclosed).

If you go to the Ambassador Card Website www.ambassadorcard.com.au you can see the full range of discounts available to you and your family and the conditions that apply. See the pamphlet.

The Branch hopes this investment will assist members a little in difficult economic times. Other unions and CEPU branches that have used Ambassador Card report a favourable reaction from members. Now is our chance to test it.

The Branch has signed up for two years as a trial. So we would appreciate your feed back.
